A. Program Description

1. Purpose

The National Endowment for the Humanities (NEH) is an independent federal agency in the executive branch. By congressional mandate, NEH awards approximately 40 percent of its annual appropriation of program funds to humanities councils in the United States and its jurisdictions in the form of general operating support grants.

State and jurisdictional humanities councils leverage general operating support grants to deliver on NEH's mission to advance knowledge and understanding of the humanities and to increase public awareness of, access to, and support for the humanities at the state and local level. State and jurisdictional humanities councils tailor their grantmaking and programs to the needs, resources, and interests of their state or jurisdiction, while also extending the reach of NEH-funded projects and further strengthening the agency's connection to local communities.

See [D6. Funding Restrictions](#) for unallowable activities.

2. Background

NEH offers this funding opportunity under the authority of [20 U.S.C. § 956](#). Awards are subject to [2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards](#), and the [General Terms and Conditions for General Support Grants to State Humanities Councils \(for grants issued on or after December 26, 2014\)](#)

Under [Section 3\(a\) of the National Foundation on the Arts and the Humanities Act of 1965](#), as amended, "The term 'humanities' includes, but is not limited to, the study of the following: language, both modern and classical; linguistics; literature; history; jurisprudence; philosophy; archaeology; comparative religion; ethics; the history, criticism and theory of the arts; those aspects of the social sciences which have humanistic content and employ humanistic methods; and the study and application of the humanities to the human environment with particular attention to reflecting our diverse heritage, traditions, and history and to the relevance of the humanities to the current conditions of national life."

Use the [Funded Projects Query Form](#) to find examples of NEH-supported projects.

[Learn more about NEH.](#)

NEH Areas of Interest

NEH is especially interested in supporting projects that advance humanities-related work in the following areas. NEH will give all applications equal consideration in accordance with the program's [review criteria](#).

NEH encourages projects that include Native American organizations and communities as applicants and project partners.

American Tapestry: Weaving Together Past, Present, and Future

American Tapestry: Weaving Together Past, Present, and Future is a wide-ranging special initiative at NEH that leverages the humanities to tackle some of the most pressing challenges of our time: strengthening our democracy, advancing equity for all, and addressing our changing climate. The initiative encourages humanities projects that elevate the role of civics in schools and public programs, advance knowledge of the country's history and political institutions, and examine threats to its democratic principles. The initiative also encourages projects that explore

the untold stories of historically underrepresented groups and build capacity at cultural and educational institutions to benefit underserved communities. Finally, the initiative welcomes projects that promote research into the historical roots and cultural effects of climate change and support the cultural and educational sectors in building climate resilience. By supporting humanities projects that align with these three themes—strengthening our democracy, advancing equity for all, and addressing our changing climate—the *American Tapestry* initiative seeks to tell our country’s history in all its complexity and diversity.

United We Stand: Connecting Through Culture

Hate must have no safe harbor in America – especially when that hate fuels the kind of violence we’ve seen from Oak Creek to Pittsburgh, from El Paso to Poway, and from Atlanta to Buffalo. When ordinary Americans cannot participate in the basic activities of everyday life – like shopping at the grocery store or praying at their house of worship – without the fear of being targeted and killed for who they are, our security as well as democracy are at risk. In coordination with the White House “United We Stand” Summit in September 2022, NEH launched a new initiative titled [*United We Stand: Connecting Through Culture*](#) that uses the humanities to combat hate-motivated violence and promote civic engagement, social cohesion, and cross-cultural understanding. As a part of this initiative, NEH encourages humanities projects that further our understanding of the nation’s racial, ethnic, gender, and religious diversity; examine the sources of hate and intolerance in the United States; and explore progress towards greater inclusiveness.

B. Federal Award Information

1. Type of Application and Award

NEH seeks new and supplemental applications in response to this notice.

NEH will provide funding in the form of grants.

2. Summary of Funding

Award amounts

NEH expects to have approximately \$50,000,000 available to fund 56 recipients. Awards will range from approximately \$300,000 to approximately \$3,000,000 per deadline. NEH determines annual funding for each state and jurisdictional humanities council according to a legislatively mandated formula.

NEH will not determine the amount available until Congress makes appropriations for the fiscal year. NEH will issue awards subject to the availability of appropriated funds. NEH is publishing this notice as a contingency action to ensure that NEH can process applications and issue awards in a timely manner, should sufficient funds become available.

Period of performance

State and Jurisdictional Humanities Councils General Operating Support Grants have a period of performance of five years. The period of performance is the span of time during which you may incur expenses to carry out the work under the award.

The program supports activities in years one, two, and three, and closeout requirements in years four and five. State and jurisdictional humanities councils must apply annually to receive this funding.

- **2023 deadline:** The funding period under this notice is November 1, 2023, to October 31, 2024.
- **2024 deadline:** The funding period under this notice is November 1, 2024, to October 31, 2025.

NEH expects state and jurisdictional humanities councils to obligate most of the funds awarded each year by the end of the annual funding period. You will apply for a new award with a five-year period of performance in year three of your current award.

NEH will award recipients outright funds, federal matching funds, or a combination of the two, depending on the availability of funds. When you accept the offer of matching funds, you must raise cash contributions from non-federal third parties and submit certification annually by September 15 before NEH will release the funds (see the [Matching Guidelines for General Support Grants to State Humanities Councils](#)). Funds raised to satisfy a match count toward an institution's required cost share for a project (see [C2. Cost Sharing](#)).

Funding beyond the first year is dependent on the availability of appropriated funds for State and Jurisdictional Humanities Councils General Operating Support Grants in subsequent fiscal years, satisfactory recipient performance, and a decision that continued funding is in the best interest of the Federal Government.

C. Eligibility Information

1. Eligible Applicants

The only eligible applicants are the [independent, nonprofit 501\(c\)\(3\) state and jurisdictional humanities councils](#).

To be eligible, your organization must make substantive contributions to the success of the project and must not function solely as a fiscal agent for another entity.

Individuals and other organizations, including foreign and for-profit entities, are ineligible.

2. Cost Sharing

This program requires a one-to-one cost share. Cost sharing or matching is the portion of the project costs not paid by NEH funds. By law, NEH cannot support more than 50 percent of the costs of a state or jurisdictional humanities council's activity. You must match NEH funds with cash, earned income, other federal grants, or in-kind contributions.

You may use federal funds (excluding CARES Act and American Rescue Plan funding awarded by NEH) to meet your cost share but you may not use federal funds or in-kind contributions to match federal matching funds, if offered.

NEH views cost sharing as a means of ensuring that many individuals and organizations are meaningfully involved in a council's work. It encourages you to meet cost-sharing requirements from a wide range of contributions and discourages relying solely on contributions at the subrecipient level. See [Matching Guidelines for General Support Grants to State Humanities Councils](#).

The following policy applies only to the American Samoa, Commonwealth of the Northern Mariana Islands, Guam, and U.S. Virgin Islands humanities councils: In accordance with [48 U.S.C. 1469a\(d\)](#), as amended, NEH waives the cost-sharing requirement for the first \$200,000 in outright funds awarded each fiscal year under this notice. The remainder of the annual

outright funding provided under the legislated formula continues to require dollar-for-dollar cost sharing, as does the entire federal matching funds offer.

Recipients must maintain auditable records of the source and use of cost sharing contributions. See [2 CFR § 200.306](#).

3. Other Eligibility Information

You may submit only one application under this notice.

If you submit multiple applications (including submitting to the wrong funding opportunity or making corrections/updates), NEH will only accept your last validated submission prior to the deadline under the correct Grants.gov funding opportunity.

Per [2 CFR § 200.403\(f\)](#), you must not include the same project costs in more than one application for federal funding and/or approved federal award budget. However, you may submit multiple proposals for **complementary** aspects of the same overall project. NEH may disallow costs or reject applications with overlapping project costs. An individual's level of effort cannot exceed 100% across multiple active federally funded awards.

NEH does not make awards to other federal entities. If your project is so closely intertwined with a federal entity that the project takes on characteristics of the federal entity's own authorized activities, it is ineligible. You may use funds from, or sites and materials controlled by, other federal entities in your project, but you may not use them as gifts to release NEH matching funds.

If you submit an incomplete application, your award may be delayed.

Except for the rare cases covered by its [late submission policy](#), NEH will not consider applications submitted after the [deadline](#).

Subrecipient Eligibility

State and jurisdictional humanities councils are authorized to issue subawards to:

- private nonprofit organizations
- institutions of higher education
- state, local, and federally recognized Indian tribal governments
- groups of persons that form an association to carry out a project
- individuals

Non-public organizations or groups that apply for funding must be constituted for nonprofit purposes, and donations to them must be deductible under the Internal Revenue Code ([26 U.S.C. § 170\(c\)](#)). Such organizations or groups are not required to be incorporated or have tax exempt status.

State and jurisdictional humanities councils may not issue subawards to:

- foreign entities
- for-profit entities
- entities functioning solely as fiscal agents

Per [2 CFR § 25.300](#), councils may only issue subawards using NEH funds (and funding from other federal agencies contributed as cost share) to organizations that have obtained and

provided to the council a Unique Entity Identifier (UEI). Subrecipients may obtain a UEI from the [System for Award Management \(SAM\)](#). NEH does not require subrecipients to complete full SAM registration to obtain a UEI, but encourages them to do so.

Councils may issue non-federally funded subawards to subrecipients that do not have a UEI or are not registered in SAM. Councils may use non-federally funded subawards for humanities programming to satisfy required cost share/match if the subrecipient is eligible and all costs included in the subaward are allowable and allocable to the project.

Councils must verify the eligibility and monitor the performance of subrecipients which receive NEH funds and those which the council uses to meet cost sharing obligations, consistent with [2 CFR § 200.332](#). Councils are responsible for improper payments to ineligible subrecipients.

SF-424 Application for Federal Assistance – Short Organizational

This form requests basic information about your institution, the proposed project, and key contacts. **Items 1, 2, and 4 will be automatically filled in; leave item 3 blank.**

5. Applicant Information

a-d. Provide your organization’s legal name, address, and web address. Select the applicant type that best describes your organization from the drop-down menu.

e-f. Provide your organization’s employer/taxpayer identification number (EIN/TIN), and Unique Entity Identifier assigned by the [System for Award Management](#). If you do not know your identifier, contact your grant administrator or chief financial officer. See [D3. Unique Entity Identifier and System for Award Management](#).

g. Provide your [congressional district](#) with your two-character state abbreviation followed by your three-character district number. For example, if your institution is located in the 5th congressional district of Alabama, enter “AL-005.” If your institution is in a state or U.S. jurisdiction that does not have districts, enter “000” in place of the district number. If your institution is outside the U.S., enter “00-000.”

6. Project Information

a. Name your project “State or Jurisdictional Humanities Program.”

b. Provide a brief (no more than one thousand characters) description of your project using the following structure: “With the General Operating Support Grant, [insert council name] brings the humanities to life through subawards and/or public programming in [insert state or jurisdiction]. The council tailors its subaward-making and public programs to the needs, resources, and interests of [insert state or jurisdiction]. In doing so, it delivers on its mission to [insert mission].”

c. **2023 deadline:** The start date is November 1, 2023. The end date is October 31, 2024.

2024 deadline: The start date is November 1, 2024. The end date is October 31, 2025.

7. Project Director

The project director (PD) is the board chair of the state or jurisdictional humanities council, unless otherwise approved by NEH. The PD is responsible for oversight of the programmatic aspects of the state or jurisdictional humanities council. Because the project director's involvement is critical to the success of the project, you must notify NEH immediately if the project director listed in the application changes.

8. Primary Contact/Grants Administrator

The primary contact/grants administrator is the executive director of the state or jurisdictional humanities council, unless otherwise approved by NEH.

Provide the name, title, and contact information for the official responsible for the administration of the award (e.g., negotiating the budget and ensuring compliance with the terms and conditions of the award).

As a matter of NEH policy, the project director and primary contact/grant administrator must not be the same person.

The grant administrator (also called the “institutional grant administrator”) functions as the representative of the recipient organization. This individual should have authority to act on the organization's behalf in matters related to the administration of the award. The institutional grant administrator must sign or countersign financial reports and prior approval requests such as budget revisions, extensions to the period of performance, and changes in key personnel.

NEH will address official correspondence (for example, the offer letter or Notice of Action) to the institutional grant administrator and copy the project director.

9. Authorized Representative

Provide the name, title, and contact information for the authorized organization representative (AOR) who is submitting the application on behalf of the institution. This person, often called an “authorizing official,” is typically the president, vice president, executive director, provost, or chancellor. To become an AOR, the person must be designated by the institution's E-Business Point of Contact. Consult the [Grants.gov Online User Guide](#).

Project/Performance Site Location(s) Form

Provide the primary location and any other locations where the project activity will occur during the period of performance. The primary location is the council’s headquarters.

Enter your congressional district using the two-letter state abbreviation followed by your three-character district number. For example, if your council is in the 5th congressional district of Alabama, enter “AL-005.” If your council is in a state or U.S. jurisdiction that does not have districts, enter “000” in place of the district number. If your council is outside the U.S., enter “00-000.”

The form has space for 300 sites. If your project includes additional locations, list them in a separate document. Save the document as a PDF named additionallocations.pdf and attach it under “Additional Locations.”

Certification Regarding Lobbying (conditionally required)

If you request more than \$100,000, you must submit the Certification Regarding Lobbying. Add this optional form to your application package in Grants.gov and it will autofill based upon information provided on the [SF-424 Application for Federal Assistance - Short Organizational](#).

Standard Form-LLL, “Disclosure of Lobbying Activities” (conditionally required)

If you have or will use non-federal funds for lobbying, you must submit Standard Form-LLL, “Disclosure of Lobbying Activities.” Add this optional form to your application package in Grants.gov. See [2 CFR § 200.450](#).

SF-424A: Budget Information – Non-Construction Programs

Complete Section B of the SF-424A for projected costs that will be incurred during the budget period (November 1, 2023–October 31, 2024, for the 2023 deadline; November 1, 2024–October 31, 2025, for the 2024 deadline).

Base your budget projection on your current General Operating Support award, plus an additional 3%. For example, if your current SO award was \$500,000, your projected budget should be for \$515,000. The total budget amount must include NEH funds plus the 1:1 cost share. **Do not** include emergency and special initiative supplemental funds (such as American Rescue Plan or A More Perfect Union).

Required fields are indicated in yellow. Round to the nearest whole dollar amount in all dollar fields. The inclusion of a cost category on the 424A does not automatically indicate that an expense is allowable. See [D6. Funding Restrictions](#) to ensure that costs are not disallowed.

Indirect costs are not allowed on general operating support awards. Per [2 CFR 200 § 403\(f\)](#), councils must ensure there are no overlapping costs between two or more applications or approved budgets for federal funding.

All costs, whether supported by NEH funds or required cost sharing contributions, must be reasonable, necessary to accomplish project objectives, allowable in terms of [2 CFR 200 Subpart E - Cost Principles](#), auditable, and incurred during the period of performance. All costs are subject to audit, record retention, and other requirements set forth in [2 CFR 200 Subpart F - Audit Requirements](#).

In addition to SF-424A Section B, you must also include a [budget justification](#) with your application. Attach the budget justification to the [Attachments Form](#) as [Attachment 2](#).

Section B – Budget Categories

The form includes four columns for different object class categories. Allocate costs across the following four functional activities:

1. **Program services, council-conducted projects, and public meetings:** Include costs incurred for council-conducted projects and public meetings, including related publicity and outreach.
2. **Fundraising:** Include direct costs associated with raising the required one-to-one cost share (e.g., development staff, campaigns, proposal costs, fundraising events).
3. **Subawards:** Include the total amount allocated to subawards. This must include the NEH funds awarded to subrecipients and the council's corresponding one-to-one cost share contribution. The council's contribution may comprise non-NEH funded subawards as well as cost-share contribution generated at the subrecipient level, subject to the limitations in the terms and conditions.
4. **General management:** Include costs associated with maintaining day-to-day operations. General management costs cover all allowable expenditures for organizational administration. They include, but are not limited to, administrative costs for subaward programs (e.g., subrecipient monitoring, site visits, grant administration, reporting) and financial management. See [General Management Costs for State Humanities Councils](#).

Depending on your programs and activities, you may not allocate funds to every cost for each of the functional activities.

a. Personnel

Enter the aggregate personnel costs for each activity. Break out personnel costs across activities as a percentage of employees' time. Personnel costs should only reflect expenses incurred for this award during the budget period. You must claim salaries and wages in compliance with [2 CFR §§ 200.430](#) and [.466](#).

Per [2 CFR 200 § 403\(f\)](#), you must ensure there are no overlapping costs between two or more applications or approved budgets for federal funds.

If you charge 100% of an employee's salary to your general operating support award, you cannot include their salary on another award from NEH or other federal agencies during the same budget period. For example:

- Executive Director: 15% program services, 25% fundraising, 40% general management. (20% could be charged to another federal award.)
- Program Officer: 65% program services, 10% general management. (25% could be charged to another federal award.)
- Development Coordinator: 80% fundraising, 20% general management. (This individual is dedicated solely to the SO award and their time cannot be charged to other awards.)

b. Fringe Benefits

Enter the aggregate fringe benefits for the corresponding personnel costs charged to each activity from [A. Personnel](#). Per [2 CFR § 200.431](#), fringe benefits are allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages. Fringe benefits include, but are not limited to, the costs of leave (e.g., vacation, family-related, sick, military), employee insurance, pensions, and unemployment benefit plans.

c. Travel

Enter total travel costs by activity. Include travel expenses (e.g., airfare, mileage, lodging, parking, per diem) for each person and trip associated with meetings and other proposed trainings or workshops.

You must use the lowest available commercial fares for coach or equivalent accommodations. **If you make nonrefundable travel arrangements, it is at your own risk. You cannot charge cancelled travel to your award.**

Travel costs must comply with [2 CFR § 200.475](#) and foreign travel must comply with [General Terms and Conditions for General Support Grants to State Humanities Councils \(for grants issued on or after December 26, 2014\)](#). NEH uses the General Services Administration's [published per diem rates](#) to assess if proposed travel costs are reasonable.

d. Equipment

Enter the aggregate equipment costs by activity. Equipment is defined as nonexpendable personal property costing \$5,000 or more per item and having a service life of more than one year unless your organization has established a lower level. See [2 CFR §§ 200.313](#) and [.439](#).

e. Supplies

Enter the aggregate supplies costs by activity. Supplies are tangible personal property costing the lesser of the capitalization level established by the applicant or \$5,000 per item, regardless of the length of its useful life. See [2 CFR §§ 200.314](#) and [.453](#).

f. Contractual

For columns 1, 2, and 4: enter the aggregate cost of contracts by activity.

20230503-SO

For column 3: enter the anticipated cost of subawards. Include total costs (subawards plus any eligible council-required cost-share contributions generated at the subrecipient level) of both NEH-funded and non-NEH funded subawards to eligible entities for humanities programming. Include only subawards that will be issued during this budget period, regardless of their period of performance.

See [2 CFR §§ 200.330](#) and [.331](#) for information on distinguishing between subawards and contracts.

g. Construction

Leave this line blank. Per the [General Terms and Conditions for General Support Grants to State Humanities Councils \(for grants issued on or after December 26, 2014\)](#), NEH funds may not be used for any costs related to the purchase of land or facilities by a council or for the construction, renovation, or alteration of council-owned facilities.

h. Other

Enter the aggregate cost of items not previously listed under other budget categories by activity (e.g., mailing, space or equipment rental, association dues, subscriptions) “Miscellaneous” and “contingency” are not acceptable budget categories. See [2 CFR § 200.454](#).

Per [2 CFR § 200.432](#), allowable conference costs may include speakers’ fees, costs of meals and refreshments, and other incidental items. You must exercise discretion and judgment to ensure that conference costs are appropriate, necessary, and managed in a manner that minimizes costs to the award.

Food and/or meals are only allowable when vendors are unavailable during the scheduled program. You may not use federal funds for meals/food/refreshments at receptions or “networking” events. If complimentary meals or refreshments are provided during meetings, conferences, training, or other events while on NEH-supported travel, you must reduce the per diem charged to award accordingly. Per [2 CFR § 200.423](#), alcoholic beverages are unallowable.

i. Total Direct Charges (sum of 6a-6h)

The form will calculate total direct costs.

j. Indirect Charges

Leave this line blank. Because general operating support awards directly fund a variety of costs, you may not apply an indirect cost rate or claim indirect costs.

You should charge [general management costs](#) such as office rent, maintenance, telephone, and utilities to the general operating support awards as direct costs. See [H. Other](#).

k. Totals

The form will calculate total costs.

Total costs (shown in row K, column 5) must equal the amount of NEH funding plus the required one-to-one match (e.g., if your anticipated award is \$515,000, total costs in K5 must be equal or greater than \$1,030,000), subject to the terms and conditions of your award.

7. Program Income

Enter anticipated program income for each activity. Per [2 CFR § 200.1](#), program income is the gross income earned by the recipient that is directly generated by a supported activity or earned

as a result of the federal award during the period of performance except as provided in [2 CFR § 200.307\(f\)](#).

Program income includes fees for services performed and from the sale of items produced under an award; usage or rental fees for equipment or property acquired under an award; admission fees; broadcast or distribution rights; and license fees and royalties on patents and copyrights. Program income does not include rebates, credits, discounts, or interest earned on any of the listed income sources. Program income does not include cash generated as part of a fundraising campaign.

Program income generated must be used for approved project-related activities. The program income alternatives applied to this program are **addition** and **cost sharing or matching**. See [2 CFR § 200.307](#).

Per [2 CFR § 200.305\(5\)](#), to the extent that it is available, you must disburse program income generated under the award prior to requesting federal funds. See F2 for more information.

Budget Justification

You must provide a budget justification to support your application. Specifically describe how each item supports the proposed objectives, itemize costs and detail how you calculated them, and provide supporting documentation. Organize your budget justification using the section headings on the [SF-424A](#). Attach the budget justification to the Attachment Form as [Attachment 2](#).

Cost Summary

State top-line category allocations:

- 1.) NEH total dollar amount budgeted
- 2.) Required one-to-one cost share total amount budgeted

Personnel

Detail the salary and wages paid to personnel. Provide their names, position titles, annual salary or hourly wage, or percent full time equivalent (or total number of hours) charged to each functional activity and describe their roles in and suitability to the project.

Fringe Benefits

Identify the fringe benefit rate and explain the base for the calculation for each person.

Travel

For each trip, provide the name of the traveler (if known), explain the purpose of the trip, and specify the points of origin and destination. Break out the costs of transportation, lodging, per diem, and any other associated expenses. Explain how you calculated these costs.

For local travel, outline the mileage rate, number of miles, reason for travel, and staff member/consumers completing the travel. For long-distance travel, calculate per diem amounts for meals and lodging consistent with your written institutional policy. You must use the lowest available commercial fares for coach or equivalent accommodations. **If you make nonrefundable travel arrangements, it is at your own risk. You cannot charge cancelled travel to your award.**

Present travel information in a table as shown below. You may provide reasonable estimates for airfare and lodging based on previous rates and comparison of current prices. NEH uses the General Services Administration's [published per diem rates](#) to assess if proposed travel costs are

reasonable. If you have not made plans for a trip, provide the total anticipated expenses for airfare, lodging, and per diem.

Indicate general categories (e.g., personal computers, digital cameras, archival supplies). Provide a total for each category. Itemize categories totaling \$1,000 or more and provide vendor quotes or price lists.

Contractual

For columns 1, 2, and 4: list the costs of project activities to be undertaken by third parties. Identify each third party by name, the activities they will conduct, and the associated cost. Itemize associated costs using the same categories as the SF-424A for each third party and provide relevant supporting documents.

Include only subawards you will issue during the budget period, regardless of the subaward period of performance. Indicate the portion of the total you will subaward using NEH funds and specify the anticipated amount of cost share provided by subrecipients that you will use to meet the required one-to-one cost share. All costs, including cost share, must be allowable and allocable to the subaward.

Other

Itemize, describe, and justify other direct costs not previously listed under other budget categories by functional activities. Include supporting documentation. “Miscellaneous” and “contingency” are not acceptable budget categories.

Indirect Charges

Indirect costs are not allowable on general operating support awards. You may charge costs typically classified as indirect costs as direct costs.

Program Income

If applicable, summarize program income-generating activities.

Attachments Form

This form accommodates up to fifteen attachments. **Attachments must be in Portable Document Format (.pdf)**. Convert all non-PDF files (e.g., Word, Excel, images) to PDFs. If an attachment contains multiple documents, merge them into a single file. Occasionally, converting a document to PDF may alter its length. You must ensure that each attachment is within the page limit, if applicable.

Do not attach portfolios containing multiple PDFs.

NEH cannot accept security-enhanced PDFs (e.g., XFA files, PDFs that include password-protection, encryption, digital signatures). Remove these features (or “flatten” these files) before uploading to Grants.gov.

Consult the [Application Components Table](#) to name and sequence your attachments so that NEH can easily identify them. Grants.gov may reject your application if:

- file names exceed 50 characters
- multiple files have the same name
- file names include characters other than the following: A-Z, a-z, 0-9, underscore, hyphen, space, period, parentheses, curly braces, square brackets, ampersand, tilde, exclamation point, comma, semicolon, apostrophe, at sign, number sign, dollar sign, percent sign, plus sign, and equal sign

Grants.gov may accept and validate your application even if you are missing required components or have formatted them incorrectly. You must ensure that you have formatted, attached, and submitted all required components correctly. Missing attachments or incorrect formatting may result in a delay in processing your application.

Learn about [Adobe software compatibility with Grants.gov](#) and ensure that you can use your version of Adobe Acrobat Reader to download, complete, and submit your application.

3. Unique Entity Identifier and System for Award Management

Before submitting its application, your organization must register with the [System for Award Management \(SAM\)](#) and [Grants.gov](#). [Learn more about this multistep process](#).

NEH encourages organizations with SAM registrations to check the validation of their UEI well in advance of the deadline to ensure that they are accurate, current, and active. Due to the recent transition from D-U-N-S® numbers to Unique Entity Identifiers in April 2022, the Federal Service Desk is currently experiencing long delays with UEIs

requiring validation. If your SAM registration is not active and current at the time of Grants.gov submission, this may result in a delay in processing.

You should allow several weeks to register with SAM and Grants.gov. NEH will not waive the online submission requirement or extend the application deadline to allow additional time for you to complete registration with SAM or Grants.gov.

Login.gov

If you have not already done so, you must create a [Login.gov](#) user account to register and log in to SAM and Grants.gov. Login.gov is a secure sign in service used by the public to sign in to participating government agencies. [Create and link your account now.](#)

System for Award Management (SAM)

Your organization must register with the [System for Award Management \(SAM\)](#) and maintain an active SAM registration with current information at all times during which you have an active federal award or an application under consideration by a federal agency. See [2 CFR § 25.110](#) for exceptions. SAM will assign your organization a [Unique Entity Identifier](#).

When registering or renewing in SAM, the system will prompt you to review and agree to certain financial assistance certifications and representations, as required by [2 CFR § 200.209](#).

If your SAM registration is not active and current at the time an award is made, NEH may determine that you are not qualified to receive an award and use that determination as a basis for making an award to another applicant.

[Check the status of your SAM.gov registration.](#)

Grants.gov

Your organization must register with [Grants.gov](#) using your Login.gov credentials before applying. You must submit your application using [Grants.gov Workspace](#) or a Grants.gov system-to-system solution. Workspace is a shared, online environment where team members may simultaneously access and edit forms within a grant application.

After you register and create an [Organizational Applicant Profile](#), Grants.gov will email your E-Business Point of Contact to assign the appropriate roles to individuals within your organization. This includes the authorized organization representative (AOR), who will give you permission to complete and submit applications on behalf of your organization.

If you have previously registered with Grants.gov, confirm that your registration is still active and that your authorized organization representative (AOR) is current.

Consult the [Grants.gov Online User Guide](#) if you have questions. Grants.gov maintains [a library of instructional videos](#) which may be helpful as you prepare your application.

4. Submission Dates and Times

The 2023 deadline for applications under this notice is May 3, 2023, at 11:59 p.m. Eastern Time.

The 2024 deadline for applications under this notice is May 1, 2024, at 11:59 p.m. Eastern Time.

Late or incomplete applications may result in funding delays.

It is your responsibility to confirm that Grants.gov and subsequently NEH have received your application. [Check your application status](#). eGMS, NEH's online grant management system, will send you an automatically generated email upon receipt of your proposal.

When NEH receives your application from Grants.gov, the agency will assign it a tracking number beginning with SO-. A tracking number does not guarantee that the application is free of technical problems (such as missing attachments or failure to convert attachments to PDFs). If a technical problem is detected, NEH will notify you via email. It is your responsibility to correct any errors.

Once you have applied, NEH will not comment on the status of your application except on issues of eligibility, completeness, and responsiveness.

NEH recommends you submit your application at least 48 hours prior to the deadline so that you have time to correct any technical errors eGMS has notified you of or that you have discovered.

5. Intergovernmental Review

This funding opportunity is not subject to intergovernmental review under [Executive Order 12372](#).

6. Funding Restrictions

You may not use awards made under this notice for the following purposes:

- purchase of land or facilities, construction, or renovation
- subawards funded in whole or in part with federal funds to organizations that have not obtained and provided the council with a Unique Entity Identifier (See [Subrecipient eligibility](#))
- overlapping project costs with any other pending or approved application(s) for federal funding
- promotion of a particular political, religious, or ideological point of view
- advocacy of a particular program of social or political action
- support of specific public policies or legislation
- lobbying
- projects that fall outside of the humanities; the creation or performance of art; creative writing, autobiographies, memoirs, and creative nonfiction; policy studies; and social science research that does not address humanistic questions and/or utilize humanistic methods

See [2 CFR 200 Subpart E - Cost Principles](#) for other unallowable costs.

E. Application Review Information

1. Review Criteria

NEH staff review applications in this program for eligibility, completeness, and responsiveness.

2. Review and Selection Process

NEH staff share the information that the state and jurisdictional humanities councils provide in their annual plans (submitted with the application) and annual reports (submitted following the close of the most recent funding period) with the [National Council on the Humanities](#). The

National Council meets at least twice annually to advise the NEH Chair. The Chair considers the advice provided by the review process and, by law, makes all funding decisions.

3. Assessment of Risk and Other Pre-Award Activities

While awards under this notice are issued based on a legislatively mandated formula, councils are held to the same standards as all other NEH applicants.

Prior to making an award, NEH will conduct a risk assessment, consistent with [2 CFR § 200.206](#). This assessment includes considerations such as past performance; assessment of management systems; continued applicant eligibility; and compliance with any public policy requirements.

The NEH Office of Grant Management may ask you to submit additional programmatic or administrative information (such as an updated budget or supporting documentation) or to undertake certain activities in anticipation of an award. This assessment guards against the risk that federal financial assistance might be wasted, used fraudulently, or abused. Based on its risk assessment, NEH will include specific conditions designed to mitigate the effects of the risk in the Notice of Action, or it may withhold a portion or all the award.

NEH will consider information about your organization that is in the [Federal Awardee Performance and Integrity Information System \(FAPIIS\)](#). FAPIIS is a database that contains information to support award decisions as required by the [Federal Acquisition Regulation](#). You may comment on information provided by federal awarding agencies about your organization. NEH will review FAPIIS when assessing your organization's integrity, business ethics, and record of performance under federal awards, as described in [2 CFR § 200.206](#). Per [2 CFR § 200.213](#), NEH will report determinations that your organization is not qualified to FAPIIS.

4. Anticipated Announcement and Award Dates

NEH will notify you of funding decisions via eGMS Reach in November 2023 (2023 deadline) and November 2024 (2024 deadline) This notification is not an authorization to begin performance or incur related costs.

F. Federal Award Administration Information

1. Federal Award Notices

The NEH Office of Grant Management will send award documents to state and jurisdictional humanities councils via eGMS Reach in November 2023 and November 2024.

2. Administrative and National Policy Requirements

Awards are subject to [2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards](#), and the [General Terms and Conditions for General Support Grants to State Humanities Councils \(for grants issued on or after December 26, 2014\)](#), and the specific terms and conditions in the Notice of Action.

Debarment, suspension, ineligibility, and voluntary exclusion certification

By applying, you certify that neither your institution nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

You must comply with [2 CFR §§ 180.335](#) and [.350](#) with respect to providing information regarding all debarment, suspension, and related offenses information, as applicable.

If you cannot attest to the statements in this certification, explain why not in [Attachment 3: Explanation of delinquent federal debt](#).

Providing access to NEH-funded products

As a taxpayer-supported federal agency, NEH strives to make the products of its awards available to the broadest possible audience. NEH's goal is for scholars, educators, students, and the American public to have ready and easy access to the wide range of award products.

You must comply with [Section 504 of the Rehabilitation Act of 1973](#), which prohibits discrimination on the basis of disability in any program or activity receiving federal financial assistance. Consult [Design for Accessibility: A Cultural Administrator's Handbook](#).

Copyright information

Subject to applicable law, you may copyright work that you develop or acquire under an award. In accordance with [2 CFR § 200.315\(b\)](#), NEH reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work for federal purposes, and to authorize others to do so. NEH has typically exercised this right in consultation with recipients to publish excerpts of grant products in [Humanities](#) magazine or on its website.

Acknowledging NEH support

Materials publicizing or products resulting from NEH-funded activities must contain an acknowledgment of NEH support. Consult [Acknowledgment and Publicity Requirements for NEH Awards](#) and [Publicizing Your Project](#).

Subrecipient monitoring requirements

Per [2 CFR § 25.300](#), you may only issue subawards with federal funds to organizations that have obtained and provided their Unique Entity Identifier. Subrecipients are not required to complete registration with the [System for Award Management \(SAM\)](#) to obtain a Unique Entity Identifier. See [D3. Unique Entity Identifier and System for Award Management](#).

You must monitor your subrecipients to ensure that they use their subawards for authorized purposes; comply with federal statutes, legislative requirements, regulations, and the terms and conditions of the subaward; and achieve their performance goals. You must ensure that your subrecipients track, appropriately use, and report program income generated by the subaward. See [2 CFR § 200.332](#) for information that you must include in subaward agreements.

Program income

If your NEH-supported activities generate income during the period of performance, you must use it for additional approved project-related activities or contribute it towards your cost sharing requirements. See [2 CFR § 200.307](#) for income that you generate after the period of performance.

Eliminate waste, fraud, and abuse

Help NEH eliminate fraud and improve management by providing information about allegations or suspicions of waste, fraud, abuse, mismanagement, research misconduct (fabrication, falsification, plagiarism), or unnecessary government expenditures, during the period of award performance, to the [NEH Office of the Inspector General](#).

Termination

NEH reserves the right to terminate awards consistent with [2 CFR § 200.340](#).

3. Reporting

You must comply with the following reporting requirements. You will complete reports online in eGMS Reach, the NEH online grant management system, unless otherwise instructed. NEH will provide further information in the Notice of Action.

The principal purpose for which NEH will use the information is to process the application, which may include determining eligibility, evaluating the application, selecting recipients, and administering the award program. Panelists and other third parties may assist in the evaluation of applications, in which case NEH will take appropriate security measures with respect to the information provided to such individuals for review. NEH may also use or disclose the information it collects as required by law and for governmental purposes such as statistical research, analysis of trends, Congressional oversight, and the other routine uses set forth in the systems of records notice (“SORN”) published by NEH in the Federal Register. The Office of Management and Budget requires federal agencies to supply information on the time needed to complete forms and to invite comments on the paperwork burden. NEH estimates that on average it takes sixty hours to complete this application. This estimate includes time for reviewing instructions, researching, gathering, and maintaining the information needed, and completing and reviewing the application.

You may send any comments regarding the estimated completion time or any other aspect of this application, including suggestions for reducing the completion time, to the Chief Funding Opportunity Officer at grantmanagement@neh.gov.
